

One day I was in class and this girl was sad because she was getting bullied. I was doing my work and the person pushed her and I helped her up.

**Organization/Purpose – 1-**

- Little to no attempt to establish setting or characters (I helped her up)
- Opening is weak (one day) and no evidence of closure
- No transitional strategies

**Development/ Elaboration- 1-**

- No evidence of style present
- Experiences vague (listy)
- Language simplistic (class, girl, sad, person)

**Conventions – 2**

- Adequate use of conventions
